

HAMFEST 2008

Warminster Amateur Radio Club
PO Box 113
Warminster, PA 18974-0512

Dear Friend of the Warminster Amateur Radio Club,

The Warminster Amateur Radio Club (WARC) will hold its 34th Annual Hamfest on Sunday May 4, 2008 at the Middletown Grange Fairgrounds in Wrightstown (Bucks County), Pennsylvania. This Hamfest has earned a great reputation in the amateur radio community and draws attendees from the greater Philadelphia area including; New York, New Jersey, Delaware and Maryland. The club has a very aggressive marketing program that attracts people who have an interest in ham radio, computers and electronics. We had a great turnout last year and are expecting even more vendors and a larger crowd this year.

We are offering vendors the opportunity to reserve indoor table spaces well ahead of the Hamfest date. The WARC can not guarantee a vendor any specific table assignment without pre-payment of table rental fees. You can reserve indoor table space(s) if you return the reservation form below postmarked no later than April 15, 2008. Our scheduled charges for indoor table spaces are fifteen dollars (\$15.00) per 4'x8' table. Pre-registrants for indoor spaces may request (indicate 3 choices below) a preferred table(s) location. (See floor plan page 3). All space assignments will be made on a first-come, first-served basis, in the order that pre-paid requests are received.

Please NOTE:

Pre-registration fees are not refundable. Our Hamfest is held in any weather. **Indoor Vendors are expected to be out of building within 1 hour of the official Hamfest end time, normally 1PM.**
